

QUICK KEY PROCEDURES

For tonight's net we will be using the quick-key format to transmit your callsign.

Here is how it works:

1. Key your radio or dongle for one second only when the frequency is clear.
2. Please space your call as not to cause **Tailgating**
3. wait one full second after the beep before transmitting.
4. Net Control will acknowledge all quick-key check-ins seen.
5. Net Control will check in each station on a check-in sheet.
6. If your station is not acknowledged, be patient, Net Control will ask for additional check-ins.
7. I will begin taking Quick Keys now.
8. Are there any stations that I have missed or are late please quick-key now.

After completing the check-in refer to the preamble and proceed accordingly.

MEMBERS ROLL CALL PROCEDURES

For tonight's net we will be using the Membership Roll call format to check in.

Here is how it works:

1. I will go down a sorted list of call signs.
2. When called please respond with your name, callsign (phonetically) and location slowly and clearly.
3. After completing the roll call I will ask for any missed, late or new check-ins.
4. Net Control will check in each station on a check-in sheet.
5. I will now begin the roll call with xxxxxx **(the first name on the list)**
6. Are there any stations that I have missed, Late or new please say contact and wait to be recognized.

After completing the check-in refer to the preamble and proceed accordingly.
